

## Auxiliary Meeting

April 6<sup>th</sup>, 2015

Called to order at 6:26 pm

Attendance: Marynell, Abigail, Becky, Naomi, Amanda, Janell, Valerie, Rachel, and Chris

Next Meeting Monday March 20<sup>th</sup> @ 6:30pm at Naomi Pulvermacher's house

### President Report

- A Dissolution cause was created for the raffle license.
  - Valerie and Brandi are in charge of coordinating a raffle for our June event.
- Advertising – Amanda will be in charge of the Internet advertising, including craigslist, tv stations, and radio stations. Janell will be in charge of newspaper advertising.
- Liquor license – Papers were filled out for our 2 day event. It will cost a total of \$40 for the weekend.
  - A group of us will get together and take the online test for the bartender license. It will cost \$12.50 each person. Marynell, Brandi, Janell, Amanda, and Naomi are willing to take the test.
- We will have to speak with the school regarding having the fireworks on their property for the June event. If we are not able to host the fireworks at the school, contact will then need to be made with the property owners behind the school where the airport is.
- The Princeton cop recommends having a fenced in area for the people who will be drinking alcohol to follow our liquor license. Cop states that if we did not want to have a fenced in area, he would be ok with having the roads around the park as a boundary. The fenced off area will help if people leave our area with their beverages.
- Ernie thought that the firemen still had wristbands at the fire station for our June event. If the fire station does not have any wristbands, the ATV club has probably around 2,000. Otherwise, it would be a good idea to check with the beer distributor.

### Treasure Report

- Total – We will have a balance around \$4,900 with our sweatshirt money taken out.
  - Motion was made by Beck, 2<sup>nd</sup> by Marynell

### June Event

- Chris volunteered to solicit the fireworks. It is ok to solicit by leaving flyers on the door, unless stated otherwise by the landowner.
- Brandi is to call and ask the pig roaster how much meat can be cooked.
- Becky is to check on donation for flavors to put on our popcorn.
- Terrace Shores Church will be bringing a bouncy house and also some other bouncy obstacles.
- The Bank will also be hosting games, the face painter is going to be booked, WOWBALLS are also booked, and we will be having the birdhouse station. Becky is still looking into a petting zoo.

- We will need to figure out when the band will need to start setting up under the tent so that we can have it set up early enough for them.

#### Budget Meeting minutes

- The budget meeting minutes were gone over. If we would have to buy everything that we budgeted out, we would need to spend \$4,440. WE NEED TO GET DONATIONS!
  - If we are not getting something donated, we are going to get it through Sherms because Paul will take the product back.
- Janell is to check with the feed mill in Berlin to see if they would donate peanuts or get us a cheaper price than the feed mill here in Princeton.
- The \$100 on the budget plan for the bartender license was removed since we have a few people in our group who will take the test.
- Rachel is to check with Ben Franklin on donations for the dye.
- A motion was made by Marynell, 2<sup>nd</sup> by Becky to purchase 100 white t-shirts at \$5.50 a piece.
- Chris was to take care of the glow necklaces.
- The Corn hole wraps for two boards were ordered at \$60.
- Ernie is to make contact with Brakebush to get 3-5 cases of chicken.
- Janell states that she will donate the hamburger for the walking tacos
- The catholic school donated the seasoning for the taco meat.
- Brandi says that she will donate or check to see if we can get the sour cream and cheese donated.
- Becky will donate the salsa.
- Naomi is to check with getting the potatoes donated.
- Naomi also to check with the movie theater on getting food grade bags to make the popcorn ahead of time.
- Rachel has made contact with Dollar General on getting chips donated for the walking tacos. Waiting to hear back from them.
- Marynell to get the veggies donated.
- Chris has all of the supplies to make funnel cakes. Watch for deals on flour. Rachel states that the Dent store outside of town has large bags for cheap.
- Marynell would like to get the cinnamon sugar/powdered sugar for the funnel cakes.
- Janell would like to see if Pick N Save would donate anything. Her son works there and could talk to the store for us.
- A list will need to be made from what we would like to get from Paul.

Meeting was adjourned at 7:27. Motion by Valerie, 2<sup>nd</sup> by Brandi.
